

ALL (RESIDENTS) OF GRAND VENEZIA

We know that you will be happy about the news that **Parking Lot Services** will be performing (**sealcoating/stripping**) on the above-mentioned property. These improvements will provide a fresh new look to your parking lots, roadways which all of you will be proud of.

To provide this quality service to you, it will require blocking off the work areas during the following days (Weather Permitting):

AREA/Scope of Work:	DAYS:	DATES:

On Monday's we will block off the area as cars leave for work. **Once an area is roped off, no car may enter that area.** This will allow the resealing of the area to begin on Tuesday at 7AM. Wednesday the striping and numbering will take place and Thursday the paint will dry.

Unfortunately any car left in a designated work area on Monday at 4PM will be towed at owners expense (\$50) to another location here on property.

Garages will be blocked off for the 4 days that work is being done in that area. No access of garages of any kind and no Move In's or Move Out's on those days. No Vendors Working in your Condominium on those days.
