**In order to properly receive lettered mail as well as parcels here at Grand Venezia, only the physical street / unit # should be reflected in your address.  
Your designated mailbox # should not be shared with anyone.**

- **For packages arriving via regular US mail (U.S.P.S.):**

- There are large kiosks to the right of all general mailboxes for package(s) that do not fit in your mailbox. In this instance, the Postmaster will place a corresponding key (with a box#) in your box. This lets you know to open the numbered kiosk, as chances are you have a package inside.
- For boxes too large to fit in the kiosks, the Postmaster will place inside the clubhouse parcel room. In this instance, a notification card will be placed in your mailbox stating that you have a parcel to pick up inside. You **must** present that notification card to clubhouse staff in order to sign for / receive your package.

- **For packages arriving via FedEx, UPS or other private carriers:**

- **These packages will be delivered directly to your front door.** *Please make sure you select the proper delivery options as we cannot accept packages on your behalf from any private carrier.*
