Re: Grand Venezia Pool Re-Opening Guidelines

Dear Residents:

The Grand Venezia Board of Directors is pleased to announce that the pool, hot tub, pool deck and sauna will re-open on Saturday, May 9th, 2020 on a limited basis. This re-opening is for the pool, hot tub, pool deck and sauna only. All other amenities that are currently closed will remain closed for now. To ensure the safety of residents and in accordance with Pinellas County Department of Health Guidelines, the following rules supplement and/or temporarily supersede the existing rules already established.

- Maximum capacity of the pool and pool deck is amended to 27 persons and maximum capacity of the hot tub is amended to 3 persons which is 50% of the normal capacity as required by the Pinellas County Department of Health.
- Maximum capacity of the sauna is amended to 3 persons. Residents using the sauna must maintain a minimum of six feet between themselves and others at all times.
- Use of the pool, hot tub, pool deck and sauna is for GRAND VENEZIA RESIDENTS ONLY. No guests are permitted.
- The pool furniture will not be available for use. You may bring towels and portable chairs. Please use in a safe manner and remove them afterwards.
- Residents that reside in the same household or dwelling may gather in groups, but no larger than a group of ten (10).
- Residents that do not reside in the same household or dwelling must maintain a minimum of six feet between themselves and others.
- If you have any underlying health issues, you should consult a physician before entering and/or using these facilities.

While we make every effort to ensure that our amenities are regularly cleaned, THE ASSOCIATION CANNOT GUARANTEE A GERM/VIRUS FREE ENVIRONMENT. **Residents are encouraged to bring their own disinfecting wipes and/or sanitizers for use at the pool areas and bathrooms.** Grand Venezia has no information regarding the health status of individuals using the amenities. Individuals may still become infected and transmit or contaminate surfaces with the Covid-19 Coronavirus while they are asymptomatic and have no symptoms.

Therefore, use of the amenities, which includes the pool and pool deck, is at your own risk, and you assume all risk and liabilities if you choose to use these amenities.

Failure to comply with these rules or the existing pool rules could result in the resident being expelled from the pool area or the pool area being re-closed to all. Please govern yourself accordingly.
